Representative Roach Dead.

Jefferson City, May 17—Representa-
tive James Roach, of the Joplin District
of Jasper county, died here yesterday
afternoon of typhoid-pneumonia, after
an illness of six weeks. His wife and
three children were at his bedside when
he died.

Mr. Roach was the fifth member of
the House to die this session. Repre-
sentative H. R. Brasfield, of Putnam
County, who was stricken several days
ago, is still in a dangerous condition.

Mr. Roach was 52 years old and a
Republican. He had been a member
of the Legislature for three successive
terms. He was of a sunny disposition
and his witicism during debate often
amused his colleagues.

Lived 152 Years.

Wm. Parr—England's oldest man—
married the third time at 120, worked
in the fields till 132 and lived 20 years
longer. People should be youthful at
80. James Wright, of Spurlock, Ky.,
shows how to remain young. "I feel
just like a 16 year-old boy," he writes.
"a ter taking six bottles of Electric
Bitters. For thirty years kidney trouble
made life a burden, but the first bottle
of this wonderful medicine convinced
me I had found the greatest cure on
earth." They're a godsend to weak,
sickly run-down or old people. Try them

Redsox Play Carthage Sunday.

Next Sunday's engagement is with
the Carthage team, which created a
sensation last Sunday by defeating the
strog team at Sarcosie by a score of 6 to
2. George Cochran, who played the
first month of the season with the Jop-
lin leaguers, won the game against Sar-
cosie and will be in the box again Sun-
day. Cochran is a good twirler and is
hard to beat with almost any team be-
hind him, but the Carthage bunch this
year is a really fast team and will give
the Sox plenty of trouble. Barrett
Cochran, a brother of the pitcher will
be behind the bat. Thompson and
Cromwell will be the Jasper battery.

A grocery peddler, an agent of the
Grand Union Tea Co., was the cause of
a small excitement last Tuesday. As
he was working inside the city limits
without a license he was arrested and
brought before Mayor Putnam. It was
believed at first that a fine could be
imposed on the fellow, but on it devel-
oping that he was merely delivering
goods ordered some time before the
mayor decided not to fine him especially
as the Grand Union is known to have
successfully fought similar cases in the
past. So the young man was permitted
to go about his business.
